

MESSAGE FROM THE DESK

Welcome all the readers! The beginning of the year 2017 was a breakthrough in the history of science when India scripted a new chapter in the history of space exploration with the successful launch of a record 104 satellites by ISRO's PSLV in a single go. We hope that the year in front of us will bring in its tow many adventures, discoveries and inventions. Science City prides itself in making science an inspiring and exciting experience for people of all the ages. Over the past years, Science City has been a custodian of creativity and innovation, continuing to ignite young minds and fostering scientifically savvy new generation.

The first quarter of the year at Science City was blooming with events. Starting with the 5th & 6th All Breed Open Dog Show in which more than 70 dogs of different breeds participated, National Environment Awareness Campaign and World Wetlands Day focussing on the dire need to protect and conserve our environment, Flower show where we displayed the rich floral biodiversity of the region and finally Innotech- 2017, marking the annual day celebrations as Science City completed 12 years on March 19th, 2017. Another remarkable event was Blood Donation Camp in which employees volunteered to donate blood on the occasion of 12th anniversary of Science City. What else could have been a better way to celebrate the foundation day!!

Science City entertains over 3.2 lac visitors every year, with more than 300 exhibits and other unique experiences spread across 72 acres of land. This is a great time to visit us, touch and interact with exhibits and experience the exciting shows. We know that when you leave, you will have a smile on your face – and will look at yourself and the world differently.

Mohammad Tayyab
(Director General)

Public School, Kapurthala

Second Prize Winner

Niraj Owaan, DRV DAV Centenary Public

School, Phillaur

Third Prize Winner

Disha Sharma, SPPS Convent School,

Begowal

Winners of Fresh Flower

Arrangement

First Prize Winner

Ranjeet and Anshita, Bawa Lalvani

Public School, Kapurthala

Second Prize Winner

Komal, Arya Sen. Sec. School, Phagwara

Third Prize Winner

Radha Rani and Jasmeet, Doaba

College, Jalandhar

Winners of Dry Flower Arrangement

First Prize Winner

Manmeet Kaur, BST Sen. Sec. School

Sujo Kalia, Kapurthala

Second Prize Winner

Arman and Prapyush, Bawa Lalvani Public

School, Kapurthala

Third Prize Winner

Manbir Kaur, Guru Amar Das Public School,

Kapurthala

ANNUAL DAY CUM INNO-TECH 2017 (March 17-19, 2017)

Science City in collaboration with IKG Punjab Technical University, Kapurthala celebrated INNO-TECH-2017 from March 17-19, 2017 to provide a platform to the students of technical Institutes to display their innovative creations as well as an opportunity to the students to showcase their talent and vision. It is intended to encourage love for Science among the youth through enquiry-based learning and to convert their imaginative ideas into real life models/ projects and several other creative and skill enhancing activities.

Science City celebrated this festival through display of projects/ models and Quiz Competition. About 800 students from different professional colleges participated in various events. The competitions were organized under following categories:-

Category I: Engineering College

Category II: Polytechnic College

Category III: Industrial Training Institutes

Category IV: Post Graduate and Teachers

Dr. Ajay Sharma, Director, NIT, New Delhi was the Chief Guest. In his address to the students, Dr. Sharma appreciated the initiatives of Science City, Kapurthala in promoting creativity and innovation. He said that such programmes encourage competitiveness and entrepreneurship among young students and motivate them to take up careers in science and technology. He further said that the initiative to organize the Tech Fest is indeed commendable and in conformity of what India is gearing up for.

These programmes will effectively support new national program designed to transform India into a global manufacturing hub. PGSC also celebrated its 12th Annual day.

Cash Prizes ranging from Rs. 1000 to Rs. 25,000 were awarded to the winners and certificates were awarded to all participants.

Winners of Project/Model Display Automobile Category

Engineering

First : Anand College of Engg &

Management, Kapurthala .

Second: CGCTC Jhanjeri, Chd.

Polytechnic

First: Mehr Chand Polytechnic College,
Jalandhar

Second: Mehr Chand Polytechnic College,
Jalandhar

Third: Mehr Chand Polytechnic College,
Jalandhar

Mechatronics Category

Engineering

First: Shaheed Udham Singh Polytechnic

College, Tangori

Second: RIMT University

Third: Dr. B.R. Ambedkar NIT Jalandhar.

Consolation: Maharaja Agarsain
University

Polytechnic

First :Shaheed Udham Singh Polytechnic
College, Tangori

Second: Mehr Chand polytechnic
College, Jalandhar

Third: Mehr Chand polytechnic College,
Jalandhar

Blood Donation Camp (20th March 2017)

On the occasion of its 12th foundation day celebrations, Pushpa Gujral Science City organized a blood donation camp in collaboration with Red Cross Society, Kapurthala. A team of doctors from Civil Hospital, Kapurthala was also present. The camp was inaugurated by Dr. Rajesh Grover, Director, Science City, Kapurthala. While expressing his gratitude to the donors he said many people lose their lives due to shortage of blood during medical emergencies and such camps ensure people in distress get life saving blood. Sh. R.C Birha, Secretary, Red Cross Society Kapurthala and Sh. Ramesh Chandra, Assistant Secretary were also present on this occasion. The donors were awarded with certificates and badges.
