Corrigendum for Clauses in Tender Document based on Pre-Bid Meeting Decisions

Please refer to e-tender for Supply, Installation, Integration, Testing and Commissioning of Integrated 3 DOF or higher Capsule Simulator having seating capacity of minimum 30 persons with hardware and software packages, interfaces, tools and/ or drivers providing operational training, offering onsite comprehensive warranty of one year and post warranty non comprehensive maintenance for 5 (five) years including unlimited period licence of 4(four) selected educational 4k ride films with motion programming.

In accordance to decisions taken w.r.t. queries raised by agencies towards various clauses of Tender Document through emails and in the pre-bid meeting held online on 15.12.2023, following corrigendum/clarifications is issued:

Sr. No.:	Tender Reference			Statement as per tender document	Queries / Points raised / Amendment Requested		Decisions/ Clarifications
	Page	Section No.	Section Name				
1.	5	4	Particulars of tender	Earnest Money Deposit INR.6,50,000 (Rupees Six Lakh Fifty thousand Only) In lieu of online EMD payment, Bank Guarantee of equivalent amount of EMD valid for a period of 255 days is acceptable.	We would like a little more clarity over EMD and Security Deposit regarding how it will work.	BG format is required against EMD for the tender.	NO CHANGE in the Clause Clarified that Security Deposit shall be 5% of the gross value of work ordered (inclusive of all taxes). The bidder will be required to submit security deposit in the form of Bank Guarantee valid for a period of contract period i.e. 6 years (1 year warranty and five years of AMC period) within 15 days from the date of award of contract. Earnest Money Deposit (EMD) of successful bidder will be adjusted in the Security Deposit. However, the bidder having deposited EMD in form of bank guarantee will be required to get the same extended for

							a duration of contract period. Further, format of BG for EMD will be shared with bidders through e-mail.
2.	17	3.10	Eligible bidders	One similar work of value not less than Rs 57 Crore (35% of estimated cost) during the last 10 (ten) years from the date of the issue of this E-TENDER.	We have found an error on page 17 point 3.10 mentioning a project of 57 crore instead in lakhs	-	Typography error Clause amended as under: One similar work of value not less than Rs 57 Lakh (35% of estimated cost) during the last 10 (ten) years from the date of the issue of this E-TENDER.
3.	21	4 C	Technical Evaluation Marking Scheme	Seating Capacity of Capsule Ride Simulator :30 For each additional seating capacity above than 30 @ 2 marks per seating capacity - (Max Marks : 10)	On the marks system in page 21 point 4C mentions the marks for seating capacity where in the minimum marks for 30 seater capsule is not defined	-	NO CHANGE in the Clause Clarified that no marks will be awarded for seating capacity of 30 persons. However, for each additional seating capacity above than 30 @ 2 marks per seating capacity will be given. Maximum marks will be 10. Further, Bidders were informed that minimum 350 mm width will be considered as one seat size for seat calculations.
4.	21	3	Technical Evaluation Marking Scheme	SITC of at least 1 no. of 3DOF or higher hydraulic based Platform/Capsule Simulator in India during last ten years with minimum seating capacity of 15	We shall request to consider WIP projects of similar work in point 3 on page 21 for marks.	-	NO CHANGE in the Clause
5.	23	9	General terms of payment	9.1. 60% (Sixty percent) of the total sum of the items quoted on delivery of the entire materials/consignment and submission of bill of quantities.	-	The project involves huge amount of investment ,so it is requested that at least 50% mobilization advance is	NO CHANGE in the Clause

				9.2. 30% (thirty percent) of the total sum of the items quoted after successful installation and commissioning of the fully integrated Capsule Simulator at site.		required in hand for product on /procurement process, The mobilization advance requested will be against same amount of BG in Favour of client.	
6.	23	9.4	General terms of payment	For non-comprehensive annual maintenance contract for five years(beyond the warranty period of one year), agency should submit list of spares with rates which may be required for maintenance after warranty period of one year and the rates quoted by agency should remain same throughout the contract period. The Payment for these services shall be made annually upon the completion of each non comprehensive maintenance year and this payment schedule shall continue for the entire duration of the contract.	-	The Spares list asked after warranty period are to supply along with main supply of material or it is to be supply after completion of warranty period & also payment terms for the same to be clear at your end.	NO CHANGE in the Clause Clarified that list of spares with rates required for the non-comprehensive annual maintenance contract after the one year warranty period must be supplied concurrently with the main material.
7.	30	1.13	Scope of Work	Supply of Spares as per details given at S. No 18, section II of technical specifications.	The spares that are being asked are for the upgrade of the old system?	-	NO CHANGE in the Clause Clarified that Supply of Spares as per details given at S.No 18, section II of technical specifications is not to be used for the up-gradation of the old simulator system at PGSC.
8.	30	1.14	Scope of Work	The scope of work includes the up gradation of the software of the existing simulator installed at PGSC. The bidders are requested to visit the site to study the configuration of the	Old system will require to be upgraded with both hardware (Computer system, sensors, valve and control panel) and software (New programming on new	-	NO CHANGE in the Clause Clarified that scope of work includes up gradation of the software of the existing simulator installed at PGSC.

				existing simulator at PGSC. The computer system/'s preloaded with simulator software along with all hardware items as per site requirement is to be supplied and installed by the bidder to upgrade the existing simulator.	software for film)		Bidder will be required to supply and install computer system/'s preloaded with simulator software along with all hardware items as per site requirement for making the simulator operational and functional in all aspects.
9.	34	4.3	Warranty and AMC	Bidders shall quote for non-comprehensive annual maintenance charges along with applicable taxes for two years, after expiry of warranty period of three years from the date of commissioning and handing over to PGSC on year to year basis. Payment for these services shall be made annually upon the completion of each non comprehensive maintenance year. The tax break- up for all such rates shall be clearly spelt out as on the date of submission of the tender.	-	Bidders shall quote for non-comprehensive annual maintenance charges along with applicable taxes for two years, after expiry of warranty period of three years from the date of commissioning and handing over to PGSC on year-to-year basis. Payment for these services shall be made annually upon the completion of each non-comprehensible maintenance year. The tax break- up for all such rates shall be clearly spelt out as on the date of submission of the tender	<p>Typography error</p> <p>Clause amended as under:</p> <p>Bidders shall quote for non-comprehensive annual maintenance charges along with applicable taxes for five years, after expiry of warranty period of one year from the date of commissioning and handing over to PGSC on year to year basis. Payment for these services shall be made annually upon the completion of each non comprehensive maintenance year. The tax break- up for all such rates shall be clearly spelt out as on the date of submission of the tender.</p>

In addition to above mentioned clarifications and decisions, the rest of the tender document remains same.
